

Ingenium Executive Search Limited is a newly established executive search firm, purely and solely focused on providing a proactive and research-based recruiting service to Trinidad and Tobago organisations seeking the very best executive talent to either lead divisions within their organisations or their organisations as a whole.

Ingenium serves as a partner to any organisation as they search for quality executives to join their leadership teams. We will customize steps involved in the search process to meet the particular requirements relating directly to your assignments.

MEET ENA VIEIRA

Ena Vieira, has worked with Global Leaders and SMEs across various fields and sectors. With over 15 years recruitment and search experience, Ena has delivered extremely pro-active and successful talent sourcing strategies fully tailored to clients' specific and individual organisational needs.

She has worked and assisted both established global organisations as well as early stage companies and has also worked closely with Venture Capital and Investment companies in identifying key Senior Managers, Directors and Board Members.
